Statistics Canada provides data in many forms...

The statistics contained in this brochure have been compiled by Statistics Canada, the national statistical agency. They represent a small cross-section of the Agency's products, but give a good indication of current social and economic trends.

Visit Statistics Canada's website at www.statcan.ca and discover a wealth of Canadian statistical information available from the most reliable source:

- Get connected to Canada! Visit **Canadian Statistics** to get free data on many aspects of Canada's economy, land, people and government — all in easy-to-read tables.
- **The Daily** offers unparalleled access to newly released data, schedules of major releases and announcements of new products and services. Subscribe and a free electronic copy will be delivered to your e-mail address every working day.
- Find information about the **Census**. Check out data from the 2001 **Census** and discover analysis series, highlights, and maps.

- Look through **Community Profiles** to get a snapshot of approximately 6,000 communities in Canada, from Newfoundland and Labrador to the Northwest Territories.
- Make the grade with our **Learning Resources**, where you'll find a wide variety of statistical products and services, specifically designed for students and teachers.

Note of appreciation

Canada owes the success of its statistical system to a long-standing partnership between Statistics Canada, and the citizens of Canada, its businesses, governments and others institutions. Accurate and timely statistical information could not be produced without their continued co-operation and goodwill.
